Fun with Concur!

Submitting Travel Authorization Requests and Reimbursements via
Concur

Approving Concur Reports

When a trip is requested (RTF form), Cairan Bergstrom will enter the trip into the Concur System

Once the trip is ready to be approved, an email will be sent to the traveler to approve the request in Concur

This report can be reached at myhr.unt.edu->
Employee Resources-> Concur

This will begin the process for approval through the UNT System. You will be contacted once you are approved to purchase airfare, etc... for your trip.

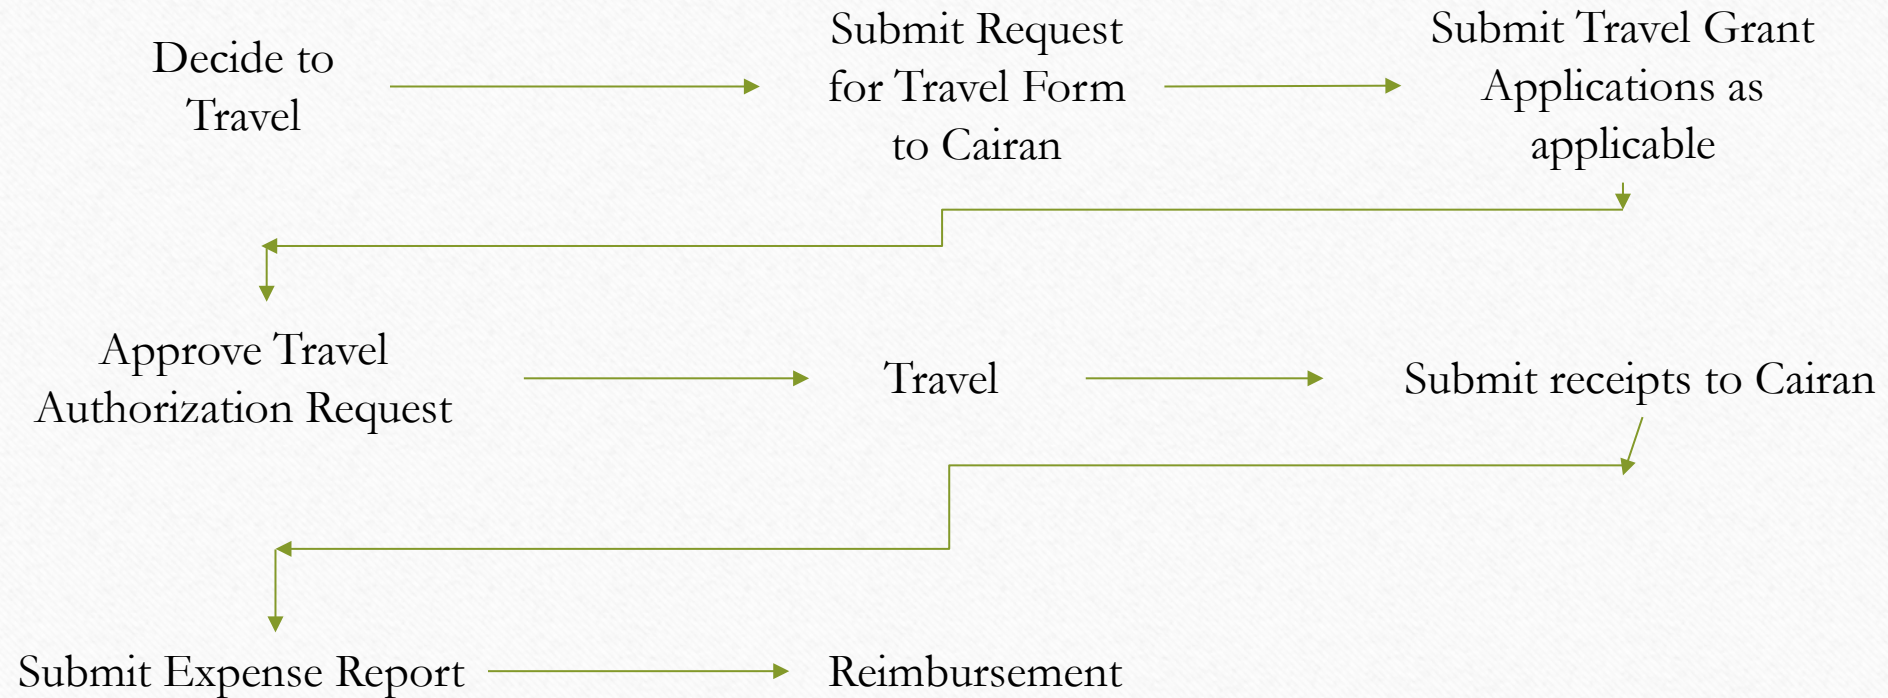

Upon returning from your trip, submit your receipts to Cairan Bergstrom, who will enter them into the Expense Report for reimbursement.

Once the Reimbursement is ready to be approved, and email will be sent to the traveler to approve the request via Concur

The screenshot displays the Concur system interface. At the top left is the UNT University of North Texas logo. To the right, there are three summary boxes: '+ New', '01 Authorization Requests' (circled in red), '00 Available Expenses', and '00 Open Reports'. Below this is a navigation bar with 'TRIP SEARCH' and 'COMPANY NOTES'. The main content area shows a trip entry for 'Research Museum' with a total amount of '\$630.46'. Below the entry, it says 'Not Submitted'. To the right of the entry are two buttons: 'Copy Report' and 'Submit Report' (circled in red).

**Do NOT *create* any reports in Concur.
This could invalidate your reimbursement.**
